

## Introduction

Your Introduction

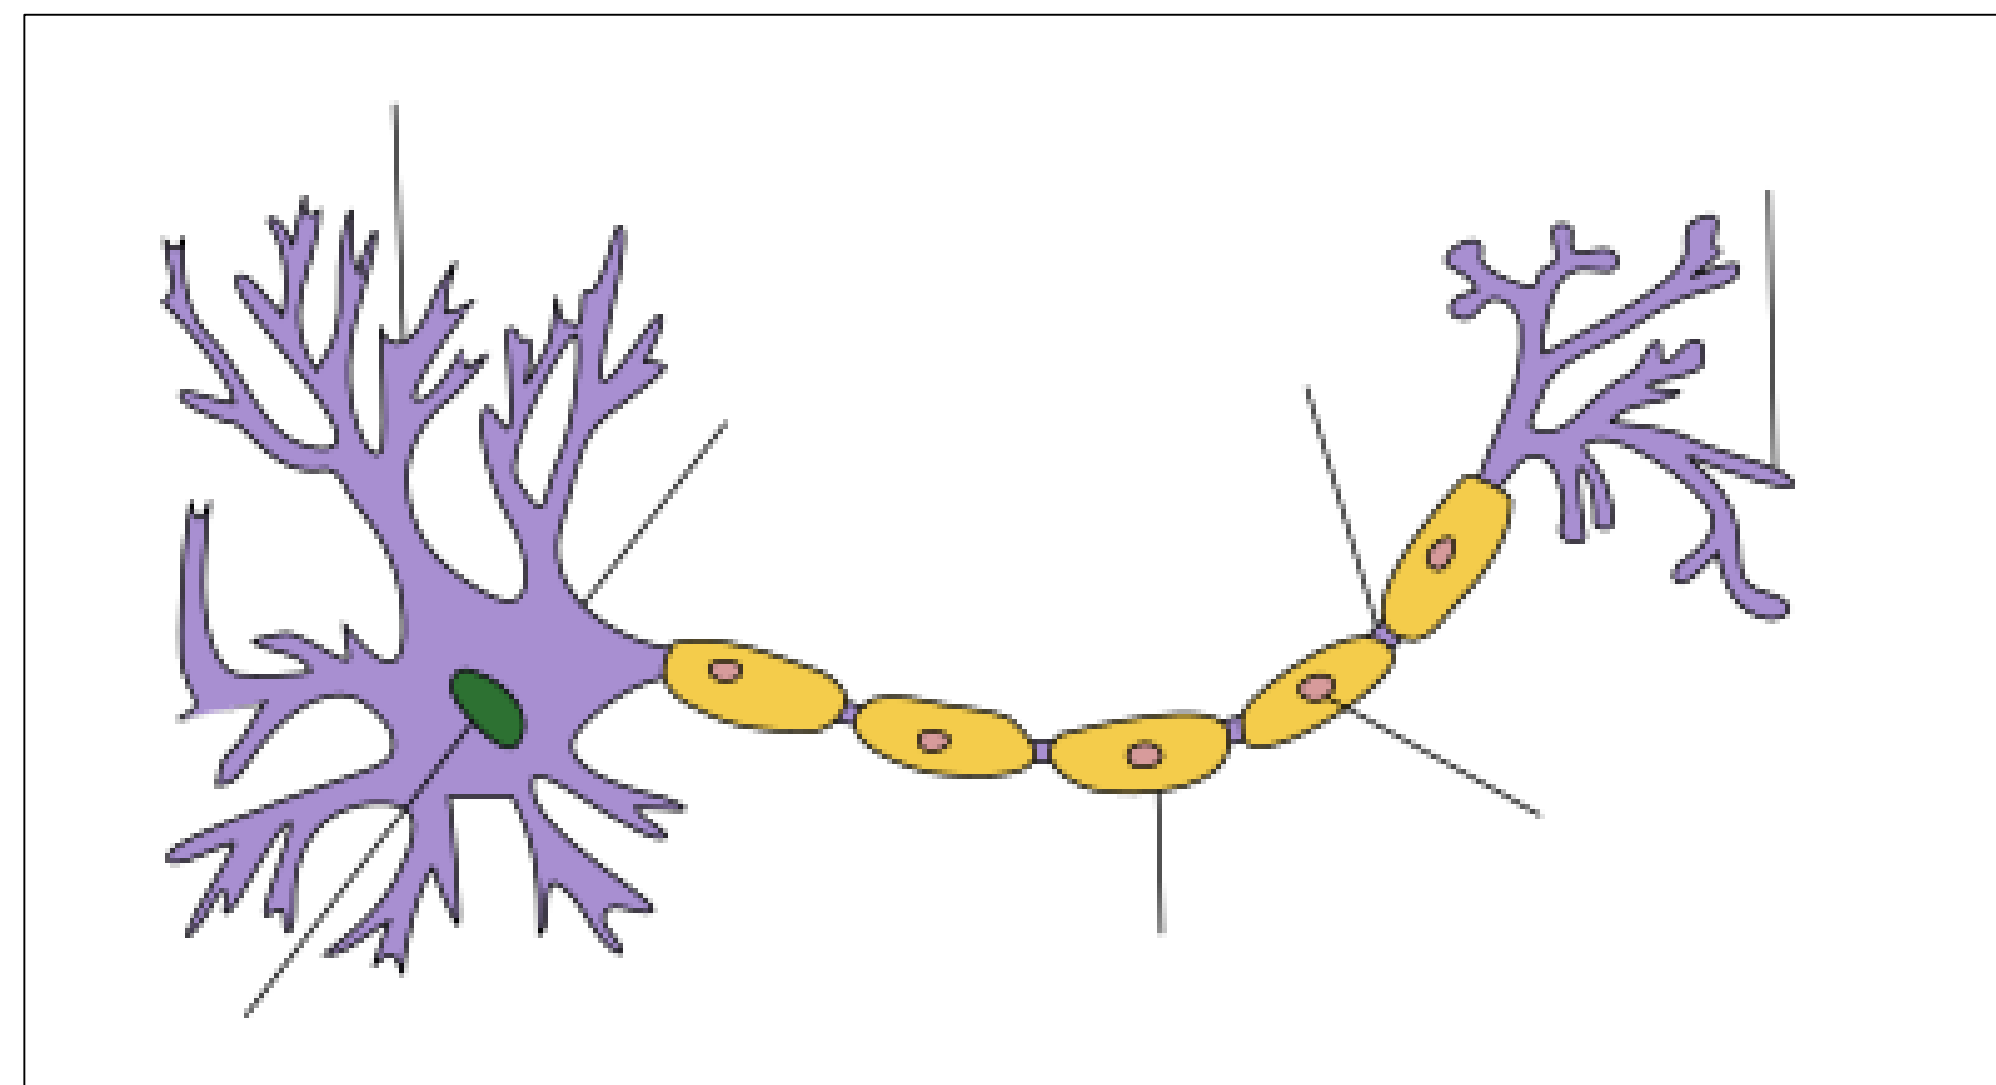

Fig X. Neuron

## Method

Describe your approach here

Table Y. Accuracy

Method	Accuracy
Method 1	100%
Method 2	100%
Method 3	100%

## Result

Place your result here

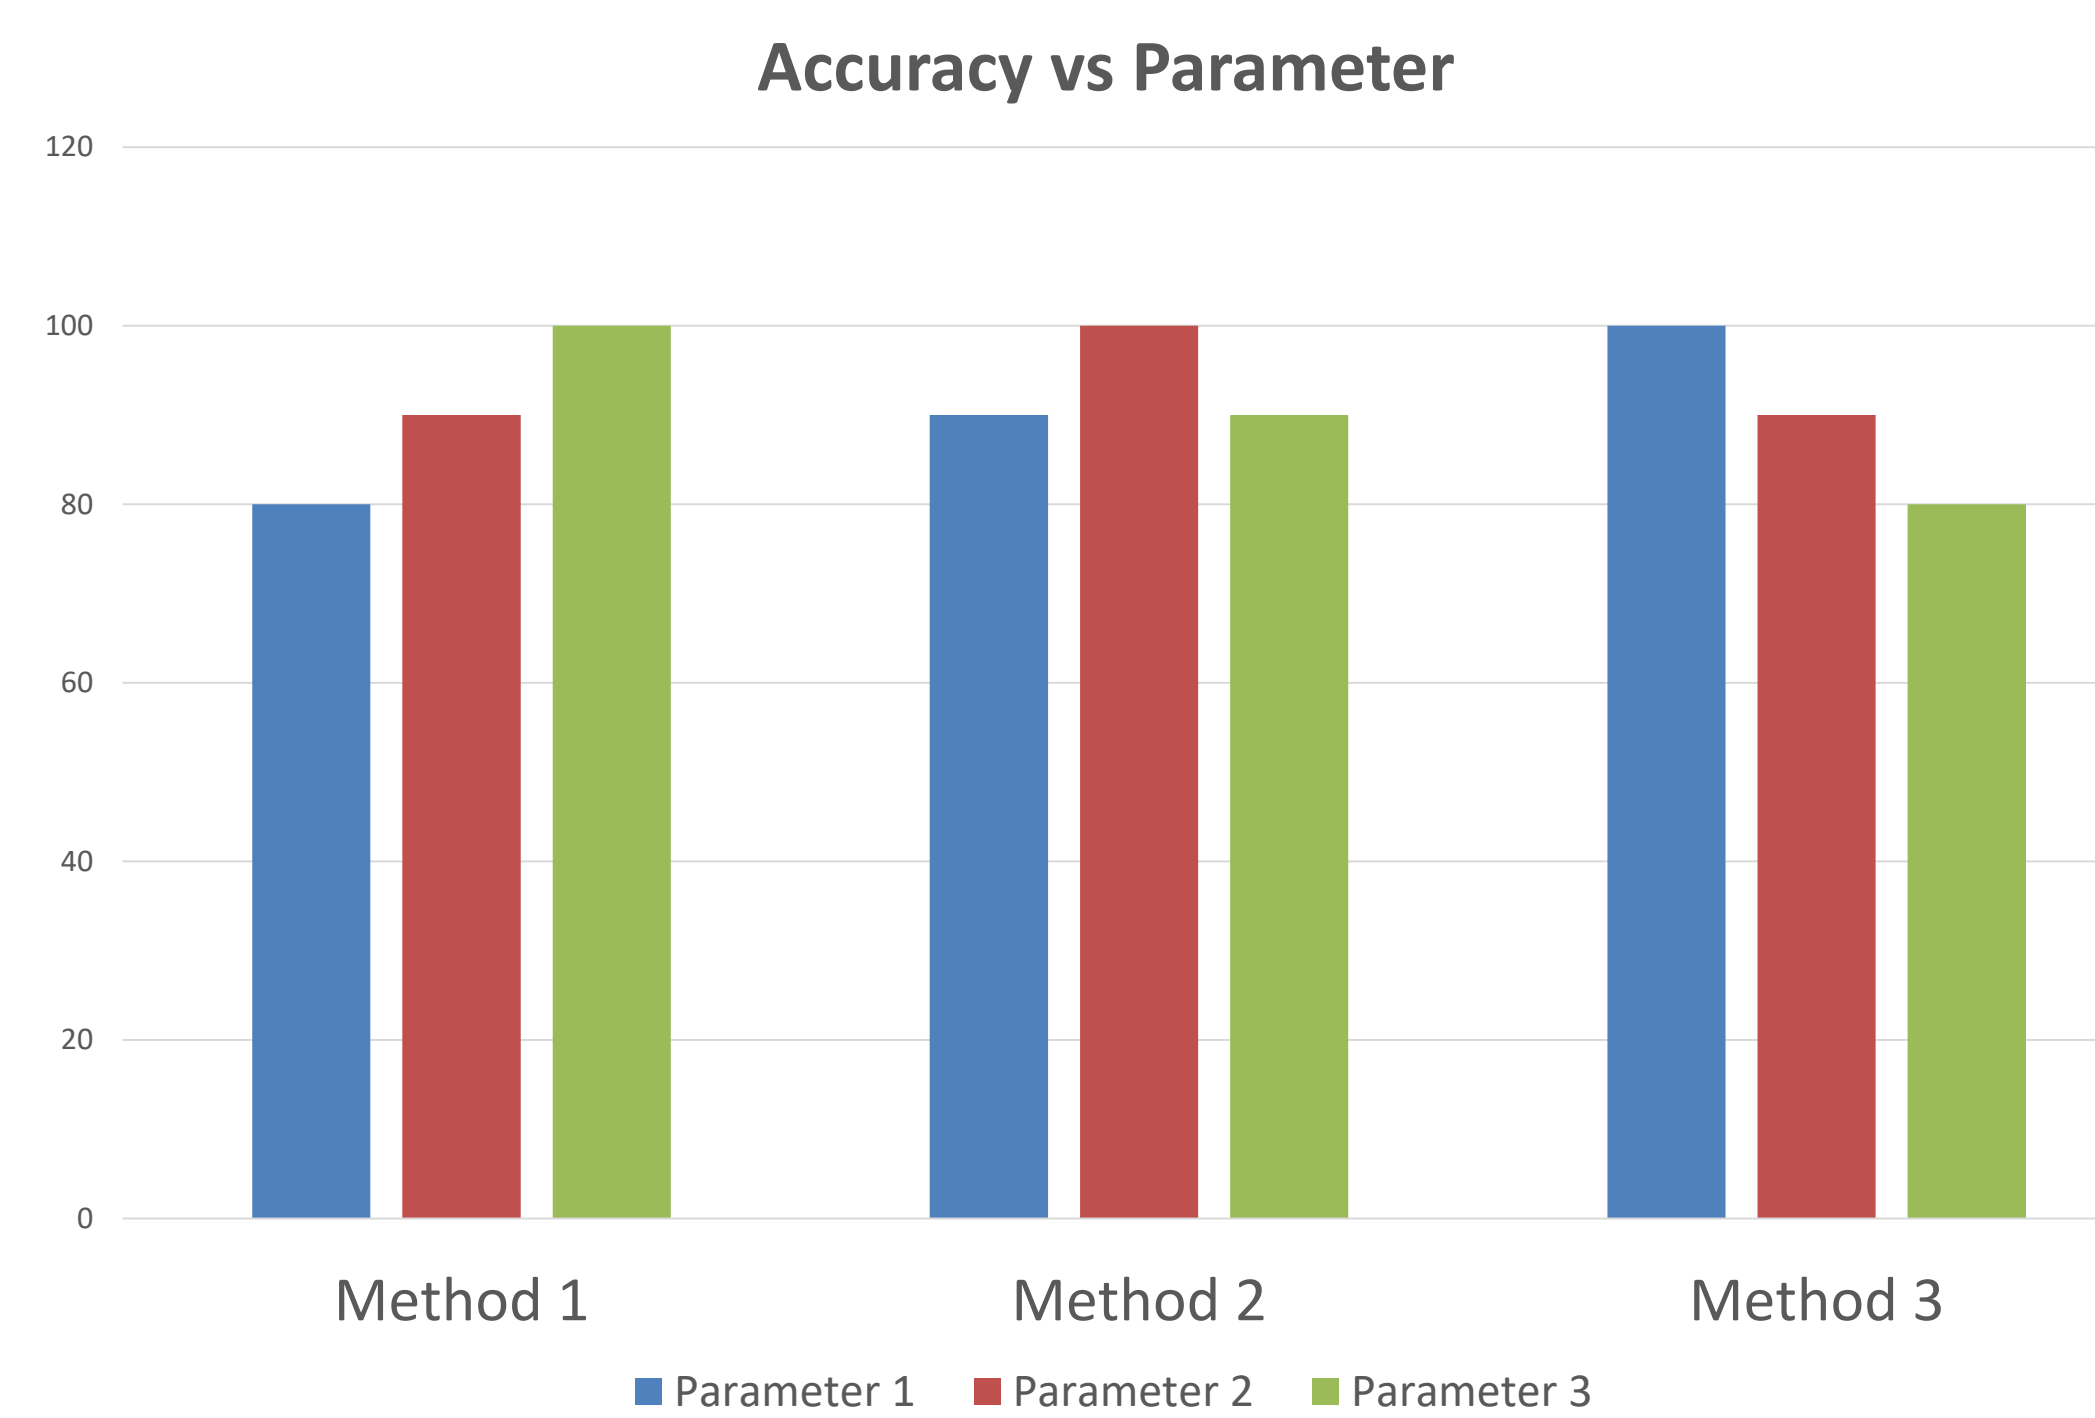

Chart Z. Accuracy vs Parameter

### Note

1. You can arrange height of sections based on your paper content. Furthermore, you can add or remove sections. Just keep columns to be three.
2. Keep bottom logos.
3. Poster size is A0 and its orientation is landscape.
4. Poster number will be announced soon.
5. If you don't use footer, please remove footer textbox.
6. Don't forget to remove this note, too.
